(Renters)

Hereby agrees to the rental of the Gwynne Valley Ski Area, for the following date and time:

____/____/____ from _____ am/pm till _____ am/pm.
Month Day Year

A booking fee will be collected the time the hill is reserved, in the amount of Two Hundred \$200 dollars.

- At the time the hill is rented, it is expected that if the concession is not used or the “renter” brings their own food as a group, (ie. Wiener roast, barbeque, etc) that the “renters” will be responsible for the cleaning of the chalet. Cleaning supplies and vacuum are supplied. All tables must be cleaned, floors mopped and carpet vacuumed. This fee will cover any clean up that is needed to be done by the Wetaskiwin Ski Club staff if the chalet is not cleaned properly.
- Guidelines for cancellation: you have till one week prior to date of rental date, to cancel booking due to lack of participation of group members. Melissa must be contacted 7 days prior to booking date or damage deposit will be forfeited. If the hill is open for public use and you’re not sure if the snow conditions are adequate, please contact us. We do not open the hill to the public if we don’t feel it is safe to operate. If the hill needs to be closed down for any reason (ie. Snow conditions, temperature, mechanical failure etc) the “renter” will be contacted as soon as the decision is made. The “renter” is advised to give out the Ski Hill’s phone number (780-352-3515) for their members to call if you are unsure if the Hill is open or not. There is an answering machine at the Hill at all times with an up-to-date message.

If the conditions are met after the hill has been rented, the two hundred \$200 dollars will be refunded to you within a couple days. This money does not go toward the cost of the Hill Rental.
